SUNBURN

Come waste your millions here
secretly she sings
another corporate show
a guilty conscience grows
I feel a guilty conscience grow
I feel a guilty conscience grow

she burns like the sun
I can't look away
she'll burn our horizons
make no mistakes

come let the truth be shared
no one ever dared
to break these endless lies
secretly she cries

she burns like the sun
I can't look away
she'll burn our horizons
make no mistakes

I'll hide from the world
like a broken film
I'll run forever
I can't face the shame
I'll hide from the world
like a broken film
I'll run forever
I can't face the shame

MUSCLE MUSEUM

she had something to confess to
 but you don't have the time so look the other way
 you will wait until its over
 to reveal what you've never shown her
 too little much to late

too long trying to resist it
 you've just gone and missed it
 its escaped your world

can you see that I am needing and begging for so much more
 than you could ever give
 I don't want you to adore me
 don't want you to ignore me
 when it pleases you
 I'll do it on my own

I have played in every toilet
 but you still want to spoil it
 to prove I've made a big mistake

too long trying to resist it
 you've just gone and missed it
 its escaped your world

can you see that I am needing and begging for so much more
 than you could ever give
 I don't want you to adore me
 don't want you to ignore me
 when it please you
 I'll do it on my own
 I'll do it on my own

FILLIP

Its happening soon
Its happening soon
its sent has been blowing in my direction
to me it is new
to me it is new
and its not gonna change for anybody

and its gonna be our last memory
And its led me on and on to you

and its gotta be here
its gotta be there
its gotta be now or all this forever
to me it is stange
this feeling is strange
and its not gonna change for anybody
and its gonna be our last memory
and its led me on and on to you

.....
trust me
I never knew
that you were were the one
you were the one

and its gonna be our last memory
and its led me on and on to you

and its gonna be our last memory
and its led me on and on to you

FALLING DOWN

I'm falling down
 15 thousand people scream
 we are all begging for your dream
 I'm falling down
 a thousand houses burning down
 no one is gonna see this town

too late
 I already found what in was looking for
 you know it wasn't you
 no it wasn't you

I was calling your name
 you would never hear me sing
 you wouldn't let me begin

so I'm crawling away
 cause you broke my heart in 2
 no I will not forget you
 too late
 I already found what in was looking for
 you know it wasn't you
 no it wasn't you
 noooooo I'm falling away

you will never see it though
 no I cannot forget you
 falling down
 a thousand house burning down
 no one is gonna see this town

too late I already found what in was looking for
 you know it wasn't you
 no it wasn't you
 nooo

falling down
 now my world is upside down
 I'm heading straight for the clouds

CAVE

leave me alone its nothing serious
IŠll do it myself
its got nothing to do with you
and theres nothing that you can do

you can see it and you can almost hear it too
you can almost taste it
its nothing to do with you
and its still nothing you can do

so come in my cave
and IŠll burn your heart away
come in my cave
IŠll burn your heart away

please close your ears
and try to look away
so you never hear a single wordII say
and donŠt ever come my way

leave me alone its nothing serious
IŠll do it myself
its got nothing to do with you
and theres still nothing that you can do

so come in my cave
and IŠll burn your heart away
come in my cave
and arrest me for my mistake

SHOWBIZ

Controlling my feelings for too long
Controlling my feelings for too long
enforcing our darkest souls to unfold
enforcing our darkest souls to unfold
pushing us into self destruction
pushing us into self destruction

they make me
dream your dreams
make me
scream your screams

trying to please you for too long
trying to please you for too long
rivers of greed you wallow
rivers of greed you wallow
rivers of greed you wallow
rivers of greed you wallow

they make me
dream your dreams
they make me
make me
scream your screams

Controlling my feelings for too long
Controlling my feelings for too long
enforcing our darkest souls to unfold
enforcing our darkest souls to unfold
pushing us into self destruction
pushing us into self destruction

they make me
make me
dream your dreams
they make me
make me
scream your screams

UNINTENDED

You could be my unintended
 choice to live my life extended
 you could be the one I always love
 you could be the one who listens
 to me deepest inquisitions
 you could be the one I always love

I'll be there as soon as I can
 but I'm busy
 mending broken
 pieces of the life I had before

first there was the one who called
 all my dreams and all my balance
 she could never be as good as you

You could be my unintended
 choice to live my life extended
 you should be the one I always love

I'll be there as soon as I can
 but I'm busy
 mending broken
 pieces of the life I had before
 I'll be there as soon as I can
 but I'm busy
 mending broken
 pieces of the life I had before
 before you

UNO

This means nothing to me
cause you are nothing to me
and it means nothing to me
that you blew this away

cause you could have been number 1
if you only found the time
and you could ruled the whole world
if you had the chance

you could have been number 1
you could ruled the whole world
we could have had so much fun
but you blew it away

your still nothing to me
this is nothing to me
and you don't know what you've done
but I'll give you a clue

you could have been number 1
if only you had the chance
you could have ruled the whole world
if you had the time

you could have been number 1
you could ruled the whole world
we could have had so much fun
but you blew it away
you could have been number 1
you could ruled the whole world
we could have had so much fun
but you blew it away

SOBER

Royal canadian blended
 the spicy aroma has mended me
 matured for years imported
 into my glass poured it

and your the only reason
 that I remain unfrozen
 suppose it stands to reason
 that you would turn on me

your so solid
 your so solid
 burns inside of me
 cause your so solid
 it burns inside of me

a wild turkeys been chosen
 its caramel nose can smell me
 and how many days didII love you
 the single most come by here

and your the only reason
 that I remain unfrozen
 suppose it stands to reason
 that you would turn on me

your so solid
 your so solid
 burns inside of me
 cause your so solid
 it burns inside of me

Royal canadian bending
 the spicy aroma hand end in me

and your the only reason
 that I remain unfrozen
 suppose it stands to reason
 that you would turn on me

your so solid
your so solid
burns inside of me
cause your so solid
it burns inside of me

ESCAPE

you would say anything
you would try anything
to escape your meaningless
your insignificance
your uncontrollable
we are unlovable

and I don't want you to think I care
I never would
I never could
again why can't you just love her

why be such a monster
you burn from a distance
your brain needs some assistance

but I'll still take all the blame
cause you and me are both one and the same
and its driving me mad
and its driving me mad
I'll take back all the things I said
I admit I was always talking to the living dead

and I don't want you to think I care
I never would
I never could
again
you would say anything
you would try anything
to escape your meaningless
and your insignificance

OVERDUE

you needed when I was away
 and no matter what I say
 your'll never forget when I wasn't there
 so why should I care
 I'm young but I know when I'm aroused
 you know that I care
 you ,should have been there
 you, know that I care
 you , should have been there

it doesn't matter where I have gone
 I just can't afford to
 pay for all the mistakes that you have made
 its about timeII was paid

I'm young but I know when I'm aroused
 you know that I care
 you ,should have been there
 you, know that I care
 you , should have been there

we really need to change it
 and turn it over
 cause you should have been there
 when I was aroused
 you should have been there
 when I was aroused

I'm young but I know when I'm aroused
 you know that I care
 you ,should have been there
 you, know that I care
 you , should have been there

I'm young but I know when I'm aroused
 you know that I care
 you ,should have been there
 you, know that I care
 you , should have been there

I'm young but I know when I'm aroused
you know that I care
you ,should have been there
you, know that I care
you , should have been there
you

HATE THIS AND I'LL LOVE YOU

Oh I am growing tired,
Of allowing you to steal,
Everything I have, you're making me feel,
Like I was born to service you,
But I am growing by the hour.
You left us far behind,
So we all discard our souls.
And blaze through your skies,
So afraid to die.

Cos I was born to destroy you,
And I am growing by the hour.
I'm getting strong in every way, Yeah. Yeah.

You led me on, you led me on, you...

Oh, and I'm getting strong in every way, yeah. Yeah.
